

talk with President Roosevelt in time to enable him to return to Washington tomorrow night.

COMING TO VIRGINIA

Taft Soon to Leave Washington for Hot Springs.
WASHINGTON, D. C., June 26.—Secretary Taft will leave his home in this city within the next two weeks, and, accompanied by his younger son, Charles, will go to Hot Springs, Va., for the summer. Miss Helen Taft will visit in the South before joining her parents at Hot Springs, while Robert, the older son, will spend his vacation at Murray Bay, Canada, where the Taft family have gone for many years to spend the summer months.

Mrs. Taft and Charles arrived here from New Haven, Conn., to-night, and were driven to the Taft home, on K Street. There the household goods are being packed, preparatory to leaving the house, which Mr. Taft has occupied since he became Secretary of War in February, 1904. His last trip to Hot Springs was in 1907, and he goes to Hot Springs he will not return to the K Street house. Mrs. Taft said to-night that she will leave with the secretary and Charles for Hot Springs as soon as Mr. Taft's engagements permit, probably in the next ten days. If the subcommittee of the Republican National Committee meets on July 5th, as has been announced, to confer with Secretary Taft in regard to the election of a national chairman and on other matters, they probably will have to go to Hot Springs, as it is the present plan for Mr. Taft to be at the resort on that date. The candidate will go to Cincinnati later to receive the official notification of his nomination at Chicago. Mrs. Taft will be joined by her son, Robert, in Washington early next week, and they will leave for the Virginia resort as soon as possible thereafter.

SHERMAN NEARLY WELL

Will Probably Be Able to Leave Hospital By Next Wednesday.

CLEVELAND, OHIO, June 26.—Representative James S. Sherman's condition was normal to-day. The Republican vice-presidential candidate rested comfortably and enjoyed his best day in the hospital. His temperature remained between 98 and 99 degrees, his pulse at 72 and respiration 22 to 24.

Dr. Edwin P. Carter, the attending physician, stated to-night that Mr. Sherman's attack had passed, and the next few days would be critical. The physician also declared that his patient's condition was such that there was no reason why he could not leave the hospital by next Wednesday. After leaving the hospital, it is the purpose of Mr. and Mrs. Sherman to become the guests of ex-Governor Myron T. Herrick, at whose home Mr. Sherman was taken ill last Wednesday. They will remain there until Friday morning, when they expect to return to Utica, N. Y., the Congressman's home. Plans are being perfected so that his "home-coming" reception can be held in Utica on the night of July 2d.

The conference in Washington to select a national chairman will be held on July 5th. After that time Mr. Sherman may submit to an operation in order that he may not be bothered again during the fall campaign.

PRESIDENT RETURNS

Back at Oyster Bay After Attending Funeral of Mr. Cleveland.

OYSTER BAY, N. Y., June 26.—President Roosevelt returned at 9:02 P. M. from Princeton, N. J., where he attended the funeral of ex-President Cleveland. The President's special on the Pennsylvania Railroad reached Jersey City at 7:22 o'clock. Governor Port of New Jersey, accompanied by the President, left the train together, bidding each other good-by at the station. The President boarded the tug Lancaster for Long Island City. A large crowd of commuters, as the President passed, the men in the crowd silently uncovered and Mr. Roosevelt returned in triumph.

The tug conveying the President started at 7:30 o'clock for Long Island City, where the President boarded another special train. The next morning, a greeting was given to the Executive by a throng of passengers at the Long Island depot.

Stairways Have Lost.

FARGO, N. D., June 26.—It seems certain that the "stairway" wing of the Republican party in North Dakota has lost the senatorship. The next Senator from North Dakota probably will be from the "progressive" faction, as North Dakota is unlikely to elect a Democrat.

POLICE VS. CARRIERS

Great Games Which Promises to Be Interesting, to Be Played July 15th.

July 15th has been set as the date for the annual battle of wits between the police team and the mail carriers. The event is always one much looked forward to by the police and carriers, and both sides have been preparing for some time at every opportunity. The police have got together a fine team, and they expect to carry everything before them, as they have been doing so far in their practice games. They have another practice game next Tuesday with the Virginia Stars in the grounds of the Christ Church Association.

The line-up for the game with the carriers will be composed probably as follows: Goring, catcher; Warner and Krenkle, pitchers; Tate, first base; Samuels, second base; Smith, shortstop; Tomlinson, third base; Beitler, left field and pitcher; and Duffy, Wermer and Folkes the other outfield positions. Sergeants Kerse and Jones are also applicants for police positions. When the game has been asked to come out and help with the twirling.

Scene at Cemetery.
The cemetery was reached a few minutes before 6 o'clock. The members of the family alighted from their carriages and with the four clergymen in the lead, walked slowly down the gravelled path leading to the open grave and the rose-strewn grave of Ruth, both almost hidden in the profusion of green boughs and flowers.

Mrs. Cleveland stood with Esther and Richard and Dr. Bryant as the coffin was slowly lowered into the grave. The Rev. William R. Richards, of the Brick Presbyterian Church, of New York, had started to read the committal service even before President Roosevelt and others had reached the scene. The President stood just back of Mrs. Cleveland as the impressive final words were spoken. The services lasted less than five minutes.

President Leaves.
The ceremonies over President Roosevelt were driven with Secretary Loeb to the railroad station, where he entered his private car and remained until the train pulled out at 6:20 o'clock when he appeared on the rear platform and acknowledged the cheers and good-byes of the crowd.

Mrs. Cleveland and the immediate members of the family returned to Westland.

Governors Hughes, Port and Smith left the city soon after the ceremony.

Several photographers in their eagerness to photograph Governor Hughes and other distinguished guests and their arrival, refused to comply with the order of the guardsmen to fall back within the lines, and it was not until one of the soldiers rode over to the spot that they desisted.

Distinguished Visitors.
Among the first of the distinguished visitors to arrive were Secretary George B. Cortelyou and ex-United States Senator James Smith.

General James G. Wilson and Hilary Herbert followed soon after. The guests were received on the veranda of the house by Prof. John H. Hibben and Cleveland P. Bacon, nephew of Mr. Cleveland.

Governor Hughes was the first State executive to come. He stepped from his carriage all the other assembled officials arose to greet him. The guests were received in the house at 4 o'clock. In the room with the casket were Mrs. Cleveland, the children, relatives of the family, President Roosevelt and the officiating clergymen. As each clergyman delivered his part in the service he stood at the door of the reception room, so that he could be heard by all.

On the casket were flowers and an ivy wreath from Nassau Hall.

Streets Guarded.
The floral offerings were conveyed to the cemetery before the procession started from Westland, and were arranged about the plot. For over an hour before the services, and until President Roosevelt had left the Cleveland home, the streets were carefully guarded by miles of police. The Monmouth Troopers, of Red Bank, and the Trenton companies of the Second Regiment, which composed the visiting military serving with the local company, left for their respective stations to-night.

Some of the streets were over the cemetery was opened to the public, and the crowds, which up to that time had been unable to secure admission, viewed the grave and the floral display.

Warmth of Message Referring to Cleveland, Pleasing to Administration.
WASHINGTON, D. C., June 26.—President Cleveland's death has brought from Spanish-American war veterans, which in the view of the administration officials, crystallize and cement the friendship of the American republic.

Cordial relations, as exemplified in the same terms of friendship, are being returned by the State Department. This exchange in a measure is regarded as the fruit of the visit of Secretary Root two years ago, as well as an appreciation of the efforts of the United States during President Cleveland's administration.

The Monroe Doctrine, the maintenance of the Venezuelan case. Among the exchanges made public at the Department of State to-day was a dispatch from the president of the Chamber of Deputies of Brazil, and the reply of the State Department sent by acting Secretary Adee. The message of condolence was directed "To Your Excellency and the Noble North American Nation."

The reply from this government follows:

The President is deeply touched by the sympathetic sorrow manifested by the legislative assembly upon the death of ex-President Cleveland, and sees therein a fresh proof of the intimate friendship which unites the Brazilian and American people."

In view of the fact that the Cleveland funeral was private, the Brazilian government was not represented at that ceremony by the ambassador, but Secretary E. L. Chermont, of the embassy, and the consul-general of Brazil, in New York went to Princeton to attend.

CURACAO HONORS HIM
Flag Half-Masted and Half-Hourly Guns Fired at Willemstad.

WILLEMSTAD, CURACAO, June 26.—The Governor of the Island of Curacao issued orders to-day to honor the memory of the late Grover Cleveland.

Following his instructions, the forts of Curacao displayed the flag at half-mast. Every half-hour throughout the day a gun will be fired.

This action on the part of the authorities with the cordial approval extended the American gunboat Marietta, which arrived here yesterday with personnel of the American legation at Caracas on board, is taken as an indication that the Dutch government has agreed to common action with the United States in regard to Venezuela.

The Curacao section of the General Dutch Union, a society for the promotion of friendly relations between all Dutchmen and protection of all Dutch interests, has invited the Chamber of Commerce and the local branch of the Dutch Republic, an organization to promote interest in the navy, to discuss the existing situation with regard to Venezuela in combined meeting.

Liked Simplicity.
OYSTER BAY, N. Y., June 26.—Speaking of the funeral services of ex-President Cleveland at Princeton to-day, President Roosevelt expressed his pleasure at the simplicity of the ceremonies, and said they were entirely in keeping with the character of the dead statesman. The reading of a eulogy by the "Happy Warrior" he said was singularly appropriate.

"It is not care for wordsworth, as a rule, but the poem in particular is an especial favorite of mine," he said.

LAST TRIBUTE TO CLEVELAND

(Continued From First Page.)

for the high courage, wisdom and success with which he was enabled to serve the Commonwealth, blessed be Thy name, O God; for the largeness of the talents which Thou didst commit to his hand, and the faithfulness with which he used them in Thy sight as Chief Magistrate of the republic, blessed be Thy name, O God; for the warmth of his friendship, for his constant delight in Thy great out-of-doors, for the quiet joy and love of his home, and for the peace of his death in the faith of Jesus Christ, blessed be Thy name, O God. Continue forth Thy goodness from generation to generation, and Thy grace unto the children of the faithful.

"Let Thy blessing rest upon the house of Thy servant, and his name abide in perpetual remembrance, through Thy mercy and Thy truth, in Jesus Christ, our Lord. Amen."

Entire Town Mourns.
The services were concluded at 5:30 o'clock, and several minutes later the casket had been borne to the hearse and the procession had started on its way to the cemetery. Along the streets from the house to the cemetery national guardsmen, mounted and on foot, policed the way. As President Roosevelt passed through the gate leading from the Westland grounds the military presented arms, and the President doffed his hat in recognition.

The pall-bearers, six on either side of the hearse, marched with the procession as it wended its way slowly down Bayard Lane to Nassau Street and on along the main thoroughfare of the town. Business had been suspended during the afternoon, and during the procession many of the houses, the silent crowd stood with bare heads as the procession passed along into Vandeventer Avenue, and the bell in the tower of Old Nassau Hall tolled mournfully.

Mrs. Sarah Booker Spence.
(Special to The Times-Dispatch.)
LYNCHBURG, VA., June 26.—Mrs. Sarah Booker Spence, widow of Judge David B. Spence, aged eighty-four years, died this morning at 2:15 o'clock at her residence, No. 707 Church Street, after being confined to her home for a month. A year ago Mrs. Spence sustained a slight stroke of paralysis, from which time a gradual decline could be noted in her health. For the past month she had been unable to get out of her room on account of her great age.

Mrs. Spence was a Miss Hobson prior to her marriage, being a member of the well-known Hobson family of Powhatan county. She was born in "Shelburne," the old family home, and there, in 1849, she became the wife of Judge Spence, coming to Lynchburg immediately after her wedding. From that time of her death she had been a resident of Lynchburg. She was a lifelong member of the Episcopal Church, and at the time of her death was the oldest member of St. Paul's Church, of this city. She was a hard worker for her church, and gave much of her time to charitable deeds. During the Civil War no woman in the city gave more of her time and thought to the care of the soldier than she.

Mrs. Spence was the mother-in-law of Mr. Robert E. Gish, and she is survived by one brother, Captain William H. Hobson, of Powhatan county, and her granddaughters, Miss Elizabeth and Mary S. Gish, of this city.

Mrs. Bettie A. Jones.
(Special to The Times-Dispatch.)
SMITH'S CROSS ROADS, VA., June 26.—Mrs. Bettie A. Jones died at her residence, near here, yesterday evening about 10 o'clock, after a long
